CONTRACT CLINICIAN

Deaf Services Cincinnati

We are seeking an energetic and dedicated individual to provide individual, family and group psychotherapy to deaf and hard of hearing children and families in our Deaf Services Outpatient program. Some early evening therapeutic work with our children to help them develop enhanced socio-emotional skills in a residential setting at SVFC. Advocacy skills for children and families in utilizing appropriate community resources are an essential component for this position. Contract position—"Win-Win" agreement. Minimum requirements: Master's Degree in Social Work, Psychology, or related discipline and LSW/LPC, strong knowledge of Deaf culture, and proficiency in American Sign Language.

St. Vincent Family Centers offers a competitive salary and excellent benefits. Interested applicants should send resume with salary requirement to: St. Vincent Family Centers, Attn: Human Resources, 1490 E. Main Street, Columbus, OH 43205. EOE.
